3. Commissioner's Opening Comments

Thanks to everyone for attending. Water has been provided in the cooler. Please sign up for the raffle. Thanks to the umpires. Thanks to the coaches. Thanks to the board members. Thanks to the members. The idea is to have fun and get exercise. That's why we are all here and to get out of the house and make friends. While there may have been bumps in the road, each of the leagues this year were great successes.

4. Approval of minutes of October 24, 2024 annual meeting.

Motion to approve the minutes by Kathy S, second by Joe H. Minutes approved.

5. Treasurer's Report

The ending account balance for this year is almost the same as the ending balance for last year even after purchasing new shirts for four of the teams and paying increased expenses. Thanks to our sponsors.

6. Audit Committee Report

The audit committee included Joe Handleman, Bill Gamzon, Kevin Conklin, and Cicci Quatropanni. The audit committee met, examined books of the organization, and found the books to be in order accurately representing the financial status of the organization.

7. Public Relations/Fundraising Report

We had a total of 17 sponsors with donations from \$200 to \$750. A brochure was created and given to the sponsors and to league members.

8. Internal Competition Report

Once again, we had enough members for eight teams in the afternoon league. The teams were balanced as best possible when we started the season. Injuries and other factors affected competitiveness during the season. The best advertising for the league continues to be the outreach from current players to friends and teammates from other leagues. Please tell your friends about the league.

9. Morning League, Fall League Reports

The fall league was once again successful. The morning league was also tremendous success and offered opportunities for players to have more playing time and try different positions. Thanks to all the players.

10. Umpire's report

Thanks to all the umpires. We need more players willing to serve as umpires.

11. External Competition Report

The VSS sponsored 1-pitch tournament was an enjoyable event for those who participated. The board will be exploring alternative formats to open the event to more league members.

The league sent a 70's team and a 65's team to the cape tournament. The 65's team won their bracket.

12. Social Committee Report

The holiday party will be December 6 at noon at Lena's. Details to follow.

- c. Give the umpires orange shirts to distinguish them from the players

- e. Rules Committee suggestions:
 - 1) Reconsider the age on the senior bats (Discussion: some liked current rules, some did not)
 - 2) Have both teams use league bats
